2. Develop specific competencies to enhance business and managerial effectiveness in a cross-cultural environment
3. Develop personal action plan to increase global leadership skills
4. Share tips and ideas with other professionals and 3 renowned speakers
5. Learn how to manage difficult cross-cultural situations

How to convince your boss to allow you to attend this workshop?

1. Show the workshop matches your Company's guidelines for training
2. Explain the ROI for the Company from better management practices across cultures (retention of talented employees, higher staff motivation, faster development of competencies, etc...)
3. Highlight the value of the connections you will make
4. Inform that you will bring back lessons and best practices to share with the team and the company
5. Show testimonial from previous participants

- Christophe L. Accor
" I really appreciated getting input and insight from a Thai consultant "

Serge A. Allianz
" This workshop provides great tools for people willing to build the bridge between French and Thai cultures. "

Alexandre B. Saint Gobain
Sekurit
" Explanations about behaviors and beliefs were useful, and even essential to prevent me from making management mistakes. "

A FEW WORDS ABOUT OUR SPEAKERS

Mr. Arnaud de Nadaillac

Managing Director, ANC Consulting, HRD Specialist

30 years of Human Resources Development experience with companies and governments in France and 7 countries of Asia-Pacific. Based for 20 years in Thailand, he has implemented HRD projects in a large variety of Thai context: small village, university, federation, ministry, private and public industrial groups.

Mr. Jean-François Cousin

Global Executive Coach, 1-2 WIN

Held senior executive positions in Asia and in Europe for a Fortune 500 company. An ICF Master Certified Coach, he has served over 800 executives across Asia and The Middle- East. Watch him at

https://www.youtube.com/watch?v=fN_laNwKBbc

Mrs. Sukanya Uerchuchai

Executive Director at the Franco-Thai Chamber of Commerce

With more than 20 years' work experience in business and marketing communications with international companies and organisations, Sukanya Uerchuchai has multi-cultural aspects to share with all. She has joined Jean-François Cousin and Arnaud de Nadaillac in holding several intercultural trainings for executives.
