

Hair Dresser & Make up

Company

The **Agency** is structured on two axis Beauty (makeup hairdressing photo...) and Training (hairdressing).

The Beauty sector:

How it works:

For a hairdressing and makeup service in BANGKOK, we go to the client.

The concept is used throughout Europe and around the world in hotels or apartments.

Where client is our teams go to meet them with professional makeup and hairstyle

The Training sector:

MAILIN is a private school, specializing in the hairdressing sector for young beginners wishing to learn a new profession or for professionals to acquire new techniques or consolidate your skills.

MAILIN Agency is opening soon a **beauty salon** in a **luxury spa**, we are **recruiting**
