

Core Banking Business Analyst

Company

BRED IT (Thailand) Ltd. is a wholly owned subsidiary of the French bank BRED Banque Populaire based out of Paris.

BRED IT was established in 2008 to become an IT hub and deliver IT operations and support for BRED Group Commercial Banks in South East Asia and Pacific Ocean areas.

Today, it supports Banque Franco Lao in Laos, BRED Bank Cambodia, BRED Bank Vanuatu, BRED Bank Solomon Islands, BRED Bank Fiji and Banque pour le commerce et l'industrie – Mer Rouge (BCIMR) in Djibouti (Africa).

BRED IT provides end to end Infrastructure and Applications management around Core Banking, Internet Banking and E-Payments.

BRED IT has also operated an offshore development center (specialized in Cobol & Java) for Paris headquarters since 2011.

We are a unique company, thanks to our identity and our history: We place our expertise at the service of BRED Group and develop our activities with an entrepreneurial structure. By putting BRED group best interests first, it allows us to deliver tailor-made solutions with high value-added.

Mission

We are looking for a Business Analyst, with both functional and technical background of Banking industry (Core Banking, Risks and Compliance) and Project Management skills. Motivated candidate must be able to gather requirements, write specifications, lead implementation and deployments, have a strong analytical mind and be an excellent communicator. In this role, Business Analyst will be in a position to lead end-to-end IT strategic projects for International Banks.

Responsibilities

- Analyze Business requirements from the banks and design functional specifications.
- Participate to the implementation and testing activities.
- Prepare user guides and train Banks' end users. Support any other tasks and ad-hoc assignments assigned by Manger and Management team
- Lead project implementation and operational support.
- Coordinate Project Management and related governance (project and steering committees, reporting).

Profile

- Minimum of 3 years' experience working within the Retail, SME or Corporate banking domains is required. Ideally this should be in an international context with exposure to a number of geographical and cultural regions.
- Some functional Bank Knowledge in Core Banking (for instance Accounting, Letters Of Credit, Loans and Deposits, Foreign Exchange, Money Market, Bills and Collections, Fund Transfer, Payments and Collections, Securities, Data Entry, Accounts ...), Risks and Compliance.
- Technical knowledge in SQL, PL/SQL
- Experience in end-to end implementation of Core Banking projects.
- Knowledge in the functional workflows of the Core Banking products.
- Experience with Flexcube Core Banking system (Oracle) is a plus.
- Must possess excellent communication skills in English (both written and oral) to be able to work with international customers (France, India, Laos, Cambodia, Fiji, Vanuatu...). French is a plus
- Bachelors or Masters / University degree in related field or equivalent work experience required.

Conditions

- Position type : Full time
- Place of work : Bangkok, Silom
- Salary : Negotiable
- Working conditions : Working conditions are normal for an office environment.

Interested candidates, please send application to employment@francothaicc.com

Only shortlisted candidates will be notified.
