14	Mr. Thanakorn WONGWISES	Schneider (Thailand)	Counsellor	Mar-19	Mar-21	Yes

For the Board of Counsellors' positions to be filled-in in March 2021, the FTCC is looking for qualified, motivated and committed individuals to contribute to the Chamber's further development: providing operational and strategic guidance, extending current networks or opening new ones, taking the responsibility of one of the FTCC Committees or taking the lead on a strategic subject matter that impacts the FTCC and its Members.

We are also ideally looking for a balanced representation of our membership in terms of company size/profile, nationality and gender in order to represent the diversity of our Franco-Thai business community (noting that according to our current By Laws the majority of Counsellors must be of French nationality). But ultimately, as in any election process, it will be of course to you, the Members, to decide who you wish to elect to represent you at the FTCC Board.

Should you wish to apply for the position of FTCC Counsellor, please send us [your application, including a motivation letter, one recent photo and a brief résumé \(in English\)](#) by e-mail: sukanya@francothaicc.com by **Thursday 25th February, 2021 before 18h00.**

The list of applicants who will have submitted their full application in due time will be communicated back to the Members the following week, ahead of the AGM. We encourage all Members to give a thought to this opportunity. Thank you for your continued support.
