SENIOR CYBER SECURITY ENGINEER

Company

BRED IT (Thailand) Ltd.is a wholly owned subsidiary of the French bank BRED Banque Populaire based out of Paris.

BRED IT was established in 2008 to become an IT hub and deliver IT operations and support for BRED Group Commercial Banks in South East Asia and Pacific Ocean areas.

Today, it supports Banque Franco Lao in Laos, BRED Bank Cambodia, BRED Bank Vanuatu, BRED Bank Solomon Islands, BRED Bank Fiji and Banque pour le commerce et l'industrie – Mer Rouge (BCIMR) in Djibouti (Africa).

BRED IT provides end to end Infrastructure and Applications management around Core Banking, Internet Banking and E-Payments.

BRED IT has also operated an offshore development center (specialized in Cobol & Java) for Paris headquarters since 2011.

We are a unique company, thanks to our identity and our history: We place our expertise at the service of BRED Group and develop our activities with an entrepreneurial structure. By putting BRED group best interests first, it allows us to deliver tailor-made solutions with high value-added.
