TO CELEBRATE MUSIC !

TUESDAY, 21 JUNE 2022

FROM 6PM @BLUE PARROT

## CONTEXT

For the last 40 years in France, the 21st June is not just the longest day of the year but also the day of the fête de la musique. This "festival of music" is not an ordinary festival. Created in France since 1982. It has been taken up by neighbored countries and has been very successful. Throughout the festival, music takes over the city's streets, with live bands, singers, amateur musicians, drummers, DJs and so on scattered throughout the city, expressing themselves through music and inviting the crowd to enjoy themselves.

## TARGET

The purpose of organizing this event is to enhance French culture in Thailand as well as allowing French and Thai people to stay connect, enjoy and celebrate this festival together with a nice vibes!
