

"Digital transformation at work: does talent assessment need to change?"

Yesterday's way of working is obsolete. Today's fast-paced, technology-fuelled business environment means that the demands on employees – and the way in which they work – have changed.

Are your employees and your organisation ready to cope with the digital future?

Talk of workforce transformation and digital readiness can leave you wondering what steps to take. Join us for our October HR Breakfast Talk with Aon's Thailand Selection & Assessment Practice Leader, Ms. Aya Svensson. We'll be discussing:

- What makes digital transformation such a great a priority.
- The set of competencies that is needed to succeed in tomorrow's workplace.
- How digital readiness can be assessed.
- How to approach digital transformation.
- Why we do need to change what we are doing right now.

About Aon

Aon plc (NYSE:AON) is a leading global professional services firm providing a broad range of risk, retirement and health solutions. Our 50,000 colleagues in 120 countries empower results for clients by using proprietary data and analytics to deliver insights that reduce volatility and improve performance.
